PETER ANGELOS-MANAGING PARTNER

Peter Angelos, the Principal Owner and Managing Partner of the Ballimore Diloies, has brought cyrumic leadership to the ball-club and to the community since he and his fellow investors restored the team to local ownership in August, 1993.

Under his 16-year stawardship, the Oricles have reached the Anterican League Championship Sonies throe, led the league in attendance five times — the first times in Franchise history — and basted such historic occasions as the first games between a Major League Gasonal team and Cuba in nearly 40 years and Call Ripker's 2131st consecutive game. In a testament to the enduring popularity of the team, in 2008 time Orioles velocomed their 100 millionist frain in franchise nitroy and Oriole Park at Camder Yards welcomed its 50 millionist frain in franchise nitroy and Oriole Park at Camder Yards welcomed its 50 millionist frain in just 17 seasons. Opened in 1992, Oriole Park at Camder Yards welcomed its 50 millionist frain in just 18 seasons. Opened in 1992, Oriole Park at Camder Yards welcomed its 50 millionist frain in just 18 seasons. Opened in testing of these parts of the properties of the properties

The Orioles ownership has committed to building a winner by rebuilding the farm system with young taient that is now beginring to pay dividends. Under Mr. Angelos, the Orioles have dimansically increased their stake in seculting and player development, both in the United States and internationally. This increased emphasis resulted in the signing of the Lubis first Japanese pitcher, Kipi Uchara, in January of this year. Prescient of Baseball Operations Andy MacPhall and his staff are paying the way to a new era of Orioles baseball designed to further fortify the player development and societing areas while building on the talcrit airsady at the major lesgue between

In addition, Mr. Angelos' vision in creating the Mid-Atlantic Sports Network Rad, at its zore, the preservation of the historic Baltimore Oncies franchise. Challenged by the relocation of the Washington Nasionals, Mr. Angelos trainings worked to maintain the integrity of the Oriolos and its television territory as a valuable asset for the Orioles franchise. The success of the network over the long term will provide the territorial and financial stability naccessary to secure the future of the Orioles Annahee in Baltimore for generations for come.

In conjunction with Major League Baseball's relocation of the Nationals in Washington, D.C., Mr. Angelas, returing to allow the division to climination of the Ortoles' exclusive leteration territory, offered instead to ahare the Ortoles' exclusive tetretisting the ortoles' exclusive tetretisting the truth with the Nationals and to form a portly owned regional sports relevon't that would professionally produce and present the games, shows, and programming of both teams throughout the Battmore-Washington metropolitan area and the seven-state region served by MASN.

Orloles games are now distributed to a larger audience than ever, as the network is available to more than six million households from Harrisburg, Pennsylvania to Charlotte, North Carolina. The network introduced pregame and postgame shows for every game and recruited network-calibler broadcast teams, which include two Hall of Famers and two World Series WVPs. In 2009, the network began its fifth year televising Washington Nationals games and its third season as the Orloles' television outlet as part of its 24-hour programming schedule.

In addition to televising every available Nationals and Orioles game, Mr. Angelos thought it important that the network highlight local collegiate programs whose games had not previously been televiesed. Many local Maryland schools are among the 300 MCAA tootals, buskelball, and locrosse games televied by MASIs revery year.

The network has won 19 awards for advertising and promotional excellence, including 2 Emmys, 2 American Marketing Association awards, and 15 local and regional Addys. In 2006, MASN was the only local television network in Bellimore or Weshington to win regional Addy awards, where it competed with the best advertising from Philadelphia, Washington, and New York.

Mr. Angelos has been an industry leader in professional baseball and has helped strengthen the retional pastime. He was the only owner to serve on the negotisting committee that worked out the historic 2002 labor agreement between Major Leagui Baseball and the MLB Players Association — the linst such agreement without a strike in this 30-play eyear of labor negotistions between the groups. His involvement in those tabor negotistions was halled by both sides. Major League Baseball and the MLB Players Association were able to reach a five-year agreement without a strike, the first settlement without a work stoppage since the rise of the players' labor movement in 1969, settling the stage for a second such agreement with the field of 2006.

The Oricles owner also has taken the lead in utilizing baseball as a bridge between people. He spoorheaded the effort to have the Oricles and a team of Cuba's best players engage in an historic two-gams series in the two countries, a match-sp viewed as a way to transcend politics and bring about closer cultural and social thes between the people of the Unified States and Cubatie also helped to develop the first baseball team to represent Greece in Olympic baseball competition at the 2004 Olympics in Afteria and thereafter to establish baseball team to represent Greece in Olympic baseball competition at the 2004 Olympics in Afteria and thereafter to establish baseball are a permanent basis for Greek youth. This effort is being done in compliance with Commissioner World Seleig's program to extend the internationalization of baseball.

in addition to building a club fans can be proud of, Mr. Angelos has overseen the efforts of the Orioles to make significant contributions to the community, particularly for children. Under Mr. Angelos' direction, the club launched OriolesREACH in 2007 to centralize its community relations initiatives in an effort to better reach those who needed the most assistance. Over 10,000 children experience a game for free at Oriole Park each season thanks to the OriolesREACH Gameday Experience Program, which provides complimentary tickets, transportation, concessions and souvenirs to those who might otherwise not be able to attend a game. Other annual OriolesREACH initiatives include a Food Drive, Blood Drive, Equipment Drive and Kids Holiday Party, among other diverse and meaningful programs.

Through cash contributions, ticket and memorabilia donations, club resources and promotion, over 800 non-profit groups are aided by the Orioles each year. The Orioles Charitable Foundation has contributed to organizations such as the Salvation Army. the Cal Ripken Sr. Foundation, the National Kidney Foundation, House with a Heart, Junior Advancement and the Leukemia. and Lymphoma Society Gala. Also among recipients of Oricles support is the John Steadman Cancer Initiative, which raises funds for cancer research and awareness in memory of the longtime Baltimore sportswriter who succumbed to the disease in 2001. Through its foundation and client contributions, the Orioles have donated millions of dollars to various charitable causes, including for the 14th straight year acting as the sponsor of the Baltimore Symphony Gala.

Last season, the Orioles and Orioles REACH established Shannon's Fund, a \$50,000 endowment at the University of Maryland Medical Center to provide financial assistance to hospital cancer patients and their families. Created in memory of Shannon Obaker, the team's Director of Community Outreach who bravely fought cancer for over a year before passing away in January 2007 at age 29, Shannon's Fund is administered by UMMC. The funds will be used to assist patients and family members with expenses associated with the treatment process, including hospital parking, alternate housing, food costs and household bills.

On a personal level, Mr. Angelos and his wife, Georgia, became the first ever \$1 million donors to the United Way's Central Maryland chapter. The chapter, which covers Baltimore City and Baltimore, Harford, Carroll, Anne Arundel and Howard Counties, had never received an individual donation greater than \$250,000 prior to Mr. and Mrs. Angelos' contribution. Mr. Angelos is also an active supporter of the Amyotrophic Lateral Sclerosis (ALS) Association. In 1995, the Orioles added fieldlevel seats at Camden Yards for the games leading up to and including Cal Ripken Jr's breaking of Lou Gehrig's consecutive games played streak. Proceeds from the sale of tickets for these seats raised \$1.3 million and the Orioles added an additional \$700,000 for a total donation of \$2 million to the ALS Association.

The son of Greek iranigrants. Mr. Angelos was born July 4, 1929 in Pittsburgh, PA. The family moved to Baltimore when he was a child, and he was raised in the industrial neighborhood of Highlandtown in East Baltimore. He graduated from Patterson Park High School and from the University of Baltimore, where he was valedictorian of his class at the School of Law. An attorney since 1961, he has built the Law Offices of Peter G. Angelos, P.C., into one of the nation's leading personal injury law firms representing the victims of harmful products. Throughout his legal career, Mr. Angelos has been a champion for ordinary citizens and has taken on some of the most powerful corporations in the country, including asbestos manufacturers, the tobacco companies and the pharmaceutical industry.

Mr. Angelos, who was elected to and served on the Baltimore City Council from 1959 to 1963, has long been active in civic and community endeavors. He currently is Chairman of WestSide Renaissance, Inc., the non-profit organization of civic leaders that is spearheading the \$1 billion revitalization of Downtown Baltimore's west side. He also is a board member and major benefactor of Charles Street Development Corp., which is working to enhance Baltimore's historic avenue. In this regard, he has entered into a unique partnership with the Johns Hopkins University School of Continuing Studies to ensure they maintain their presence in the downtown area with a building at Charles and Fayette Streets devoted to business education.

Mr. Angelos serves as a member of the board for a number of colleges, hospitals and civic organizations and has been widely honored for his commitment to higher education and civic causes. He has received honorary doctorate degrees from Mount Saint Mary's College, Lovola College of Maryland and the University of Baltimore. He is a member of the Business-Higher Education Forum, the Supreme Court Historical Society, the American Academy of Achievement and the Ellis Island Medal of Honor Society. He is a recipient of the AFL-CIO Social Justice Award.

Mr. Angelos is also a strong supporter of the Reginald F. Lewis Museum of Maryland African American History and Culture, giving the first \$1 million pledge to the Baltimore Museum. He serves on the Board of Directors and was instrumental in helping the museum secure funding from the state of Maryland.

Mr. Angelos also serves as a Member of the Board of the following institutions and foundations: Johns Hopkins University, University of Maryland Medical Systems Corporation; St. Joseph Medical Center Foundation; George Meany Center-National Labor College; Loyola College in Maryland; and the Baltimore Symphony Orchestra. He is also a member of The Johns Hopkins Medicine Board of Visitors, the Advisory Board of the University of Baltimore School of Law and the Board of Visitors of the University of Baltimore

The Baltimore Urban League presented him with its Whitney Young, Jr. Memorial Award for his commitment to furthering the quality of life for the citizens of Greater Baltimore. He also has been honored by the NAACP, the Associated Black Charities of Maryland and the Johns Hopkins Allen L. Berman University Real Estate Institute. In 1998, the Baltimore Sun named Peter G. Angelos as its Man of the Year.

Mr. Angelos and his wife have two sons, John and Louis. John is Executive Vice President of the Orioles, while Louis is an attorney with the Law Offices of Peter G. Angelos.

#### OWNERSHIP OF THE ORIOLES

On October 4, 1993, American League owners unanimously approved the sale of ownership of the Orioles from then-principal shareholder Eli S. Jacobs to a group of investors led by Baltimorean Peter Angelos. The sale placed the Oricles in local hands for the first time since 1979, when Jerold C. Hoffberger, representing his family, which owned a controlling interest in both the Orioles and the National Brewing Company, sold the franchise to prominent Washington aftorney Edward Bennett Williams.

From October 29, 1953, when the transfer of the St. Louis Browns franchise became official until Williams purchased the club late in 1979, the Baltimore Baseball Club, Inc. was publicly held and was operated by a group of Baltimore investors which owned a majority share of the BBCI. Among those who played key roles in the operation of the franchise during that 26-year period were: Former chief executives Clarence Miles, who organized the group that secured the St. Louis Browns for Baltimore and who served as the club's first president, James Keelty, Jr.; Joseph A. W. Iglehart, and Jerry Hoffberger, as well as longtime club treasurer Zanvvl Krieger ('58-'79).
